

## Landscaping Adopt a School

Programme Title: Students Get Creative with the Native Habitat

Purpose/Programme Outcome: Construct a large frog pond in a Native Garden

Sponsor Business/es: Horticulture Department - Padstow TAFE and [Landscaping Professional]

Schools Involved: Birrong Boys High School

Time Frame: 1 Week anytime within Term 4 (13<sup>th</sup> October – 19<sup>th</sup> December)

Time Line:

1. Day one students with a supervising teacher and TAFE representative will take a 'hands-on' tour of Padstow TAFE's Horticulture department to increase their knowledge of the training and employment opportunities available for them in the Horticulture Industry. Student will also converse with current apprentices and students to further increase their grasp on all of the possibilities open to them within Horticulture.
2. For the first half of the second day student will work with a TAFE and [Landscaping Professional] representative at the school to gain a knowledge of OH&S procedures for the project, as well as designing the prospective 'frog pond'. During the second half of the day students, a supervising teacher, a [Landscaping Professional] Representative and a TAFE representative will begin practical work on the 'frog pond'
3. Construction of the 'frog pond' will continue for the rest of the week until completed.
4. The finished product will be revealed at a school assembly where [Landscaping Professional] and TAFE will be duly recognised for their support and advertised within the local community.
